Mediators to Limit Activities for Present to Settlement of Tampico Incident.

Washington, D. C., May 4.-Huerta informed the mediators that D. E. Milio Rabasa a Mexican jurist, and Augustine Galindo, under secretary of justice, have been selected delegates to confer with the mediators, and that the third name will be submitted tomorrow. The Carranza delegate will probably be Rafael Zubaran, now here,

After a conference with the mediators today, Secretary Bryan announcced that the American representatives had not yet been chosen. It was learned that Carranza sent a further telegram to the mediators inquiring as to their request for the appointment of a Carranza delegate, the extent of his functions, and whether this would be limited to the controversy between the United States and Huerta, beyond which Carranza has snown no signs of negotiating. The mediators are now reasonably hopeful that an open rupture and warfare have been put off except for movement of Carranza's

troops. It is generally understood that the mediators decided to limit activities at this time to the settlement of the appointment of the Huereta delegates would be decided whether the United States was entitled to reparation for
